Commissioner for Patents

The timely submission filed on 11/10/04 is not fully responsive to the prior office action because the election/restriction requirement required an election of species to be made in conjunction with the restriction requirement. Applicant elected Group II in the response, but failed to elect one of the various species included in group II. Please see paragraph 4 of the election/restriction requirement. Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply.
